- * Please note that your selected CO₂ offsetting option cannot be refunded if you cancel or rebook your flight.
- * We would like to point out that you are not entitled to have the amounts paid for your CO₂ offsetting option passed on to a specific cooperation partner of the Lufthansa Group climate protection portfolio.
- * Rather, the selection of cooperation partners for climate protection projects is at the discretion of the Lufthansa Group.
- * For the purchase of CO₂ offsetting packages with a share of sustainable aviation fuel (SAF), you will receive Points for flights operated by Lufthansa Group, co-issuing Miles & More airline partners and STAR Alliance Airlines. For flights operated by Lufthansa Group and the co-issuing Miles & More airline partners, you will also receive Qualifying Points in the same amount and (for Business Class and First Class flights) additional HON Circle Points up to a maximum of +20%. Flight award tickets and reduced-price tickets within the travel industry (e.g. ID or AD) are generally excluded from earning miles and Points (Points, Qualifying Points and HON Circle Points).
- * If you're a Miles & More member but not a Frequent Traveller, Senator or HON Circle Member, the price of the respective carbon-offsetting package (without VAT) will always be multiplied by a factor of 4. For members with frequent flyer status, the factor depends on the airline operating the flight. The factor is 6 if the flight is operated by Air Canada, Air Dolomiti, All Nippon Airways, Austrian Airlines, Brussels Airlines, Croatia Airlines, ITA Airways, LOT Polish Airlines, Lufthansa, Lufthansa City, SWISS or United Airlines. The factor is 5 for Eurowings and all other Miles & More airline partners.
